3) Accepting other remunerative employment during leave is opposed to M.S.R. (Art. 125) and there is no precedent where such permission is given. On the other hand, in an analogous case of Mr. Eapen, late Economic Superintendent, wanted leave with allowances and permission take up the post of Superintendent of Cinchona Plantations, under the Government of Madras, it was held that there was no justification for paying any leave allowances to an officer who was not on leave but took up other employment.
ly even the grant of 3 months' privilege leave in this case is not in accordance with the M.S.R.

4) To keep up his pension rights Mr. Javaraya has to pay during the entire period of his employment under Government of India, pensionary contribution at one-fourth of his substantive pay under Government, as stated by the Chief Secretary.

5) As the period will have to be treated not as leave but as Foreign Service, a formal reference from Government of India for lending his service and its acceptance is necessary to bring the case under Foreign Service Rules. The period of absence will technically be ~~period of~~ on Foreign Service and not ~~period of~~ leave without allowances.

to let him know that the Govt will have no objection to Mr. Jayaraja to accept the offer of the post of Asst. Director of Agriculture (Cotton) in the Imperial Council of Agricultural Research if he believes that he is willing to accept the appointment on the terms & conditions offered to him & that the exact date on which he relinquishes charge of his present appointment will be communicated in due course.

[illegible] Reference is invited to para 5 on the previous page – Fin. Secy's minute – to the effect that the period of Mr. Jayaraja's absence will have to be technically treated as on "Foreign service" & not leave without allowances.

15) He has, however, been promised 3 months privilege leave (if at credit) a a lien on his appointment. Formal orders have now to be passed re:

(1) Whether the whole period of absence may be treated as on foreign service, A requisn has also been received through the Residency.

(2) How the leave period is to be treated (if 3 m. leave on full pay is given).

16) The exact date on which Mr. Jayaraja can join has also to be intimated to the Residency.

22/1/35

17) The idea was that Mr. Jayaraja should be given three months privilege leave if he was entitled to it and other leave without allowances for the rest of the period of his absence. In the circumstances of this, he may now be considered to be on priv. leave for 3 months with permission to accept service outside subject to resumption by Govt. and to be in foreign service for the rest of the period of his absence. This would mean that the priv. leave period also has to be treated as foreign service —

30) In continuation of my Submission Note dated 22nd November 1934, I beg to submit herewith for His Highness's gracious perusal two letters received from the Residency communicating the offer of the Government of India to appoint Mr. H.C. Javaraya as a Senior Marketing Officer under the Imperial Council of Agricultural Research, and enquiring if the Mysore Government are willing to spare the services of the officer and whether he is agreeable to accept the appointment on the terms and conditions offered.

31) Mr. Javaraya has represented that as the tenure of the appointment under the Government of India is of a temporary nature, he might be allowed to have a lien on his appointment here during his employment as Senior Marketing Officer, and that he might also be given such leave as he may be entitled to. Under the ordinary rules an officer is precluded from accepting employment elsewhere during leave. As a special case, however, it is proposed to grant him privilege leave to the extent available at his credit, with permission to accept during such leave the appointment offered by the Government of India. Mr. Javaraya has also been informed that Government will be prepared to allow him a lien on his present post in the Mysore Service during his employment under the Government of India up to a total period of five years, provided that he is agreeable to pay the stipulated contribution towards his pension charges during the whole period of his absence.

32) As the Government of India pressed for a very early reply, they have been informed that Mr. Javaraya is agreeable to accept the post offered and that this Government will have no objection to spare Mr. Javaraya's services.

33) I beg that the action taken may be graciously approved.

In his letter d. 25.1.35, Mr. Javaraya has pointed out that his demand may cover both pension & leave charges. Under Art. 365, M.S.R a contribution of ¼ pay is leviable for both pension & leave. We have, however, informed Mr. Javaraya that the question whether any reduction of the amount is possible will be separately examined". The amount to be levied, & whether only for pension or for both pension & leave, may now be finally decided and incorporated in the draft G.O.

58) Mr. Javaraya's period or absence from the State has to be treated as on Foreign Service and under Article 365 M.S.R., contribution for both leave allowances and pension has to be levied at one-fourth of his substantive pay. Unless otherwise ordered, the period of absence on foreign service counts both for leave and pension, provided the necessary contribution is paid to Government regularly. There is no provision in M.S.R. to pay contribution for pension only.

59) If it is ordered that the period of Foreign service will not be permitted to count for leave or if the foreign employer agrees to pay leave allowances according to Rule of Proportions whenever the officer takes leave after reversion to state service, then, no contribution for leave allowances will be necessary and it will be enough if contribution for pension only is recovered at 1/9th of his substantive pay under Government viz., Rs.700/- on the analogy of what is provided for employees or Municipalities and Local Bodies in Article 250 M.S.R. This contribution is payable during privilege leave also according to Article 366 M.S.R. If no contribution is paid for leave and if the foreign employer is not also willing to share the leave allowances according to rule of proportions, Mr. Javaraya cannot evidently count the service under Foreign employment for leave and he would then be entitled only to leave earned by him for service in the state.

Dear Sir,

With reference to my application for the post of the Senior Marketing Officer under the Imperial Council of Agricultural Research, India, I beg to enclose herein a copy of D.O. letter No. F.3/M/5/34 dated the 5th January 1935 from Mr. A. M. Livingstone, Marketing Expert.

Though the initial salary of Rs.1,000/- offered is not advantageous to me, I should not like to miss the opportunity of gaining the great experience I can, not only in the marketing work but also in the horticultural line all over India. The term of the post is, however, temporary for five years and I can only accept it if I am allowed to retain my lien on my post in Mysore Government Service and given such leave as I am entitled to for the period. I request that Government may be pleased to sanction this request and allow me to accept the post offered during the leave, for which I shall be most grateful.

Yours sincerely,

My dear Javaraya,

The report and recommendations of the Public Service Commission regarding Marketing Officers have just been received, from which it appears that they are not disposed to recommend a higher initial salary for any Senior Marketing Officer than Rs.1000/- per mensem - with of course appropriate increments.

I should not like the minimum figure you specified at the interview to stand in the way of your being offered one of those appointments. On the other hand, the Department may not wish to make you an official offer and risk your refusal of the lower terms. Could you, therefore, let me know privately by return please - preferably by telegram - whether you would in fact be prepared to accept the figure recommended by the Public Service Commission?

Yours sincerely,

Sd. A.M.Livingstone.

Dear Mr. Ranga Rao,

In reply to your D.O.No.1592/CB/Enc.2 dated 23rd January 1935 enclosing the copy of letter received from the Residency communicating the offer of the Government of India to appoint me as a Senior Marketing Officer under the Imperial Council of Agricultural Research and the copy of letter No.F 3-M (5)/34 dated 16th January 1935 from the Secretary, Imperial Council of Agricultural Research, New Delhi, to the Secretary to the Resident, I write to state that I am willing to accept the appointment.

I beg to thank the Government of Mysore for granting me privilege leave for three months with permission to accept service under the Government of India during my leave and allowing me to have a lien on my present post in the Mysore service during my employment for a period not exceeding five years. The monthly payment of pensionary contribution of one-fourth of my salary here for the whole period of my absence will be a very heavy item of expenditure for me and I request that Government may be pleased to move the Imperial Council of Agricultural Research to meet this contribution, for which I shall be very grateful. The demand of the contribution of one-fourth of the salary is for both pension and leave and I request that this question may be reconsidered in the light of the interpretation by the Financial Department.

The Horticultural Show comes off on the 2nd and 3rd and the Annual General Meeting of the Mysore Horticultural Society on the 5th February 1935; I have to attend to the numerous works connected with them and after that I would want some time to close my works and make arrangements to leave this place. I expect to be able to join the appointment at Delhi on the 1st March 1935. I had already stated in reply to one of the questions in the form of application that if appointed I would require a notice of one or two months before joining the post.

Yours Sincerely,

Sir,

You may remember having written to you just before I left Bangalore for Coorg at the end of February in connection with the question of my pension contribution. The Government have ordered that 1/4th of my pay should be drawn from my pay-bill and credited to my pension contribution account. I had only 5/36 of my pay amounting to Rs. 1-10-0 per month credited to my pension account and I have to pay the balance of 1/4th. I have heard nothing in this matter.

I enclose a copy of my letter to the Secretary to Government which is self-explanatory.

As per 1/4 of the contribution, I am bound to pay 5/36 amounts therein mentioned which is much less than it should be.

Kindly look into it and oblige.

Dear Mr. Ranga Rao,

I beg to draw your kind attention to your D.O. letter No. 1757/C.B. 80-34 (Enclosure I), dated, Bangalore, 19th February 1935, in which you stated that the question of confining the levy of contribution to pension only and reducing the amount of the monthly contribution now fixed is under consideration and the orders of Government in this behalf will be communicated to me in due course. Until this question is settled I shall not be in a position to move the Government of India in the matter of their meeting the charges.

In this connection, I beg to point out that under the terms of my appointment here, I shall earn leave which will be paid for by the Government of India. It is therefore unnecessary for me to pay leave contribution. I therefore request that no leave contribution need be recovered from me by the Government of Mysore. Further, I notice that the orders contained in your D.O. No.1755/C.B. 80-34-5, dated 19th February 1935, require me to pay pension and leave contribution for the period of privilege leave already granted. I submit that this is very unusual as I cannot be required to pay this for the period of my leave, as for instance, I could have enjoyed this leave in Bangalore and counted it for pension without any liability. Also since I do not earn leave during leave, I cannot be expected to pay any contribution for leave. In the circumstances I request that the orders will be modified.

This matter is of much importance and urgency

to me. I therefore request you to be good enough to obtain the orders of Government and convey them to me at your earliest convenience.

Yours sincerely,
